

# Speed Lecture Award 2021

When an international audience from the healthcare industry and academia is marveling, laughing and giving ovations after only a three-minute presentation, most likely they just witnessed a Speed Lecture at Berlin's annual Live Science and Networking Event BIONNALE.

## The stage is yours!

You are a young researcher working on a great discovery, application or invention in life sciences? How would a creative three-minute lecture of that look like?

The HealthCapital Cluster Berlin and the Interest Group Biotechnology of the German Association of Research Based Pharmaceutical Companies (vfa bio) are looking to award the most captivating research pitches at this year's BIONNALE 2021.

The first six shortlist candidates win a professional pitch coaching and have a chance to present their research project in front of an international audience of hundreds of experts from academia and business at the BIONNALE 2021.

The first three winners of our Speed Lecture Award will be rewarded up to 1000€. You can apply individually or as a team up to three members.

Apply now directly on the following page! Application deadline is **March 7<sup>th</sup> 2021**.

# Speed Lecture Award 2021

surname:

first name:

institution/company:

position: B.Sc. MA PhD-student Post-Doc

research topic:

describe your research in 2-5 sentences:

Please download the PDF, fill it out, save it and send it to [jasmin.podufall@berlin-partner.de](mailto:jasmin.podufall@berlin-partner.de).

Next steps:

After a preselection, applicants are asked to submit a short abstract about the research project in the second step. An independent jury selects six finalists that will win a professional pitch coaching and can present their project at the BIONNALE event on May 12<sup>th</sup>.

**Good Luck!**
