Exploring New Models of Global Clinical Trial Collaboration

Austrade, the Australian Government's Trade and Investment Commission, in partnership with Berlin Partner for Business and Technology, is pleased to invite you to an exclusive seminar.

As trials become more complex and collaborative, this session explores how Australia's clinical trial ecosystem is structured, its key strengths and efficiencies, and opportunities for collaboration between German and Australian stakeholders.

Who Should Attend?

- Pharmaceutical & biotech R&D leaders
- Clinical operations and trial strategy decision-makers
- CROs and clinical service providers
- Academic, hospital, and research institution leaders
- Policy, innovation, and ecosystem stakeholders
